Help us bring the excitement of European style bike racing to the heart of Uptown Westerville while promoting your business and the community...all for a wonderful cause. The Annual Garrett Wonders Memorial Bike Race is held in memory of Garrett Wonders, a 25-year-old OSU graduate, a veteran and member of the Armed Forces cycling team, and an Olympic hopeful, who was tragically hit and killed by a car while on a training ride in 2004.

The race attracts hundreds of cyclists and families from as far away as South Carolina and Quebec and raises money for the Garrett Wonders Memorial Fund, a 501 (c) 3 non-profit organization which promotes cycling awareness and advocacy and provides an annual OSU cycling scholarship to a member of the OSU cycling club of which Garrett was president before graduating with a masters in nuclear engineering.

About The Race

The fifth annual Garrett Wonders Memorial Bike Race will be May 31st, 2008 from 8am-12:30pm and will showcase professional and amateur cyclists, all with a goal of promoting cycling and physical fitness for men, women and children.
